SCHOOL CONCERT—FRIDAY 18TH SEPTEMBER

It was very exciting to commence our INSPIRE program last week. There were many *'inspired'* students talking excitedly on the way home last week. Students are creating their own storybooks, jewellery and art work; using and designing their own technology; making movies or singing in the choir; gardening, cooking and playing board games or being mindful in yoga. Thank you to our staff who put a lot of time and passion into creating these programs for our Skye students.

Another exciting development this year has been the number of new faces at our PTF. They are looking forward to running a number of fundraising activities this year which help to improve our resources. Thank you to the people who volunteer their time in this way.

Our major fundraising this year is our Splash-a-thon on Friday 20th March. We are planning a number of fun activities for the students and teachers to enjoy. Parents and family members are allowed to join in the fun as well! We are hoping for warm weather to enable us to make the most of the water activities. Please come along and enjoy lunch with your children and join in the afternoon's activities.

We have just completed the photos today. The students (and teachers) loved striking poses and the photos will be a fun reminder of 2020! The photographers were extremely patient and kind with all our students and the day went very smoothly. I am looking forward to seeing the finished products.

We look forward to seeing many of you on the 20th,

Cherie Bradley

P.T.F. News

What a great meeting we had in the PTF, the Splash-a-thon doesn't feel very far away and its getting exciting organising the final touches for it, with lots to do behind the scenes it's great having some new members on board to make the whole thing run smoother and of course on the day, when we have even more amazing volunteer's to help out these things wouldn't be possible without so many people giving up their time to help out. We have put out a wish list for the teacher's to submit back to us by next month, we can't wait to see what's on the list and strive to make these list's not just a wish but a reality. The prep area isn't what it could be in regards to the play area and we will be looking into ways to improve that with the help of Jane Briffa and some amazing donations from Bingo, if anyone has any contacts for play equipment that will meet the safety standards for schools we would love if you could get in touch with PTF through email- skyeprimaryptf@hotmail.com.

There is an exciting new area that will be coming soon called "The Meeting Place", this area will be great to help kids who have become separated from their friends or just a quiet place to relax during recess and lunch. A plaque will be made by Carrum Downs Secondary for this special area, we can't wait to see it all come together and will have more information on that soon.

As always we welcome news faces and new ideas whether this be at the PTF meetings, through the Skye primary PTF helpers Facebook group or through our PTF email, any help and skill is always greatly appreciated as more hands make light work and make for a great experience at Skye Primary.

We look forward to a great fundraising year for 2020.
