

Motto, Vision, Values, Mission

Motto: Dream – Learn – Achieve

Vision: to build a connected community that inspires and empowers learners to be successful in an ever-changing world

Mission: Skye Primary School is committed to providing a welcoming, safe and caring environment where students are equipped with the skills and mindset to thrive and strive for their personal best. Our goal is to educate our students to become confident, responsible and caring citizens by emphasising high expectations for all, fostering a culture of academic excellence and creativity. We aim to provide a supportive, engaging and personalised learning environment that builds a foundation for life-long learning. We believe that education is about developing the whole child and delivering programs that develop personal capabilities and social skills that prepare our students to become productive, responsible, ethical and compassionate members of society.

Values: Skye Primary School values **Respect, Resilience, Relationships** and **Responsibility**. Our students are encouraged to apply these values in their everyday actions.

At Skye Primary School we show **respect** and care about the feelings and rights of others by using manners, allowing teachers to teach and others to learn, treating others with kindness, listening attentively and accepting ourselves for who we are.

We are **resilient** and work through challenges effectively. We are persistent and never give up, know it is ok to make a mistake, use a range of strategies to problem solve, face challenges with a positive attitude and move forward when things don't go our way.

We create and maintain positive **relationships** by including others, cooperating, solving problems in a positive manner and appreciating other's differences.

We take **responsibility** for our learning, behaviour and school environment. We take care of ourselves and our belongings and look after our learning environment and the school yard. We can be trusted to make good choices because we are in charge of our choices and know that they can impact others.
